Need a part?

Now, it's easier than ever to order parts

- 24 hours a day, 7 days a week—on-line or by phone
- 98% of all Komatsu parts are available within 24 hours

1. ON-LINE

Parts are available for Midlantic Machinery right on-line through the web site at www.mykomatsu.com.

- **Whenever, wherever you want** —Go to www.mykomatsu.com and log onto Midlantic Machinery's secured site, find your parts, check availability, place your order. It's that easy!
- **Accurate part selection**—Have your machine models and valid serial numbers available so you can register your equipment at www.mykomatsu.com. Once you've registered, the system will always check Komatsu's Parts Inventory System to find the correct part for your specific equipment. It will even provide the most current exchange or superceded part, if necessary.
- **Choose a location**—You access each Midlantic Machinery branch at www.mykomatsu.com. Just select the most convenient location and order.
- **Find a part**—You can find your Komatsu parts on-line with Komatsu's CSS-Electronic Parts Books. Call our parts department to order parts and components for other brands.
- **Get started today**—Go to www.mykomatsu.com, select the Register or Register Now button, and enroll quickly. Midlantic Machinery will contact you to set up an account and demonstrate how www.mykomatsu.com can save you time. Call your PSSR or branch parts manager for details.

2. BY PHONE

Call your local branch to order your parts and schedule pick-ups at the location that is best for you.

3. IN PERSON

Our friendly parts counter people are highly trained to serve you quickly and accurately.
